## The "Run Down" Condition

"Why do I feel used up and all run down most of the time?"

How many ask themselves this question daily? The answer is simple. It is lack of nerve force.

Science with its unerring methods of research has proved that the various organs and tissues of the body continue in health and perform their work properly as long as their nerve supply retains its vigor and strength. But if the nerves degenerate or lose power from poor nourishment or any other cause, the entire physiological mechanism of the body is thrown out of gear and we have as a result some pronounced "run-down" condition or disease.

The heart, the stomach, the liver, all have their great nerve centres which supply them with the power to work properly. When these nerve centres are weakened these important organs cannot act properly.

The experience of Charles E. Stacy is a case in point.

Brooklyn, N. Y., Aug. 12, 1904.—"Paine's Celery Compound cured me of chronic biliousness of many years' duration. I was all run down and I thought I never could feel better, I had tried so many remedies without success. It affords me pleasure to state, however, that four bottles of the Compound made an entire change in me and I now feel better than I have in years. I will always heartily recommend Paine's Celery Compound to all suffering from derangement of stomach and liver."—Chas. E. Stacy, 450 Fifth Ave.

Prof. Edward E. Phelps, the famous discoverer of Paine's Celery Compound, was the first physician to openly declare twenty years ago that the health of the human body depends entirely upon the health of the nerves.

Paine's Celery Compound furnishes food for the nerves themselves, and, while gently stimulating them, restores them to their original strength and vigor and at once all the organs of the body take up their work and health is restored.

Paine's Celery Compound sends new life throbbing through every artery and gives that glorious feeling of perfect health.

For the past 17 years this great nerve vitalizer and tonic has been the most universally used prescription in the world. Pale, sickly children, weary women, broken-down, discouraged men find strength and happiness in this great prescription.

It cures disease by removing the cause. Whenever you suffer from rheumatism, headache, sleeplessness, dyspepsia, nervousness or "run-down" condition you can be cured by Paine's Celery Compound. Its effect is almost immediate.

Remember this.—Paine's Celery Compound is the prescription of one of the most famous physicians this country has ever known, and all reputable druggists sell and recommend it.

## JAPANESE GIRLS VICTIMS OF SEA

THREE SCHOOL CHILDREN  
DROWNED NEAR KAKA'AKO  
YESTERDAY.

A distressing accident occurred off Kaka'ako presumably yesterday afternoon. Three little Japanese girls named Tasu Ikada, Tokuwa Oaki and Yoshi Somata, about 11 years of age each, were drowned in a hole in the coral reef near the foot of Ward street. No details of the accident have been learned, for thus far, nobody appears to have witnessed the affair.

The children left their homes shortly after 6 o'clock yesterday morning to go to the Japanese school and then the regular grammar school. Evidently after attending the latter school they decided to go in bathing. Divesting themselves of their clothes they waded in the water. There is a hole about twelve feet deep that the dredger has dug in that section of the reef, in order to obtain coral filling for repairs to the beach road. The children evidently fell into this hole and were drowned.

When the children failed to return to their respective homes last evening to dinner, a search was instituted for them. No particular alarm was at first felt, but when the clothes of the trio were found on the beach, the apprehension over their fate became general. A search of the beach finally discovered the remains. It was the father of Tasu Ikada who dived into the hole and brought up the body of his child. Then he recovered the bodies of the other victims. The scene at the edge of the beach where the three bodies lay

## CAPTAIN BYRON'S LETTER OF THANKS

THE MASTER OF H. M. S. BLONDE  
SENT FAREWELL LETTER TO  
THE ROYAL FAMILY.

Secretary Lydecker of the Board of Archives has discovered a letter from Captain Byron, who commanded the warship Blonde in these waters in 1825, giving thanks to the royal family for their hospitable treatment of him. Byron was a cousin of the great poet Byron. The letter is as follows:

"H. M. Ship, Blonde.

"July 16, 1825.

"Aroha Karahimoku (Kalaninikou).

"Before I quit the Sandwich Islands, I must bid farewell in these few lines to thank you in the name of my country, myself and my officers for all your kindness and attention during our stay among you.

"Yourself and Chiefs have rendered us every assistance, long may you live and particularly yourself and my warm friend Boki, and my kind friend Kaahumana. Support the young King and bring him up in sobriety and every Christian principle and God grant that your island may long be at peace, and prosper under the guidance of so good and wise a director as yourself.

"Aroha my friend,

"Ever yours faithfully,

"(Signed) BYRON.

"Nahi and his wife have been very kind to us."

awaiting the arrival of the undertaking conveyance was most pathetic.
